Tremendous Results in 2016 HKDSE

Hoi Ping's statistics have been on the rise since the first HKDSE. In 2016, they soared to an unprecedented height: compared to 2012, there was a 10% increase in the number of students obtaining level 5 or above, and a 15% increase in level 4 or above. 92% have attained the general university entrance requirement (33222), and 74% received a JUPAS offer.

Among the high achievers this year, a special mention should be given to the following students. Gifted in languages, So Wing Yi (6A) obtained two 5** in Chinese and English, which is a remarkable achievement. Ko Kit Yan from Class 6D displayed the spirit of a fighter. Diagnosed with systemic lupus erythematosus (also simply known as lupus), she was absent from some school days and the entire mock exam; not giving up, Ko invested her utmost effort in studies while fighting with illness. In the HKDSE, she sat all exams and obtained satisfactory results: one level 5*, two level 5 and one level 4.

Key To Success: Making Study Plans

Ng Hiu Lam

If you ask me when and where I did my revision, the answer is: anytime and anywhere. I downloaded all past papers to my smart phone and did them whenever I could. Planning is imperative. I made detailed timetables which showed everything I needed to do before DSE.

As I was weak in language subjects, I revised at least one of them per day to ensure daily progress. If you haven't got a study plan, why not make one today? Most importantly, stay positive and persistent. Nothing is impossible when you have strong determination and will. "Late is better than never"!

Failing to plan is planning to fail

Wong Chun Ho

Planning is the key to success. Before having my DSE exam, I made several revision timetables for my school holidays and my study leave period. Having a balanced timetable ensured that I have devoted ample time for revision in each subject. Not only did a study timetable aid time management, it also motivated me to complete my revision every day, especially when no one forced me to study during the study leave. So make a plan, stick to it and enjoy your success!

UNIVERSITY OF HON

THE UNIVERSITY OF HONG KONG

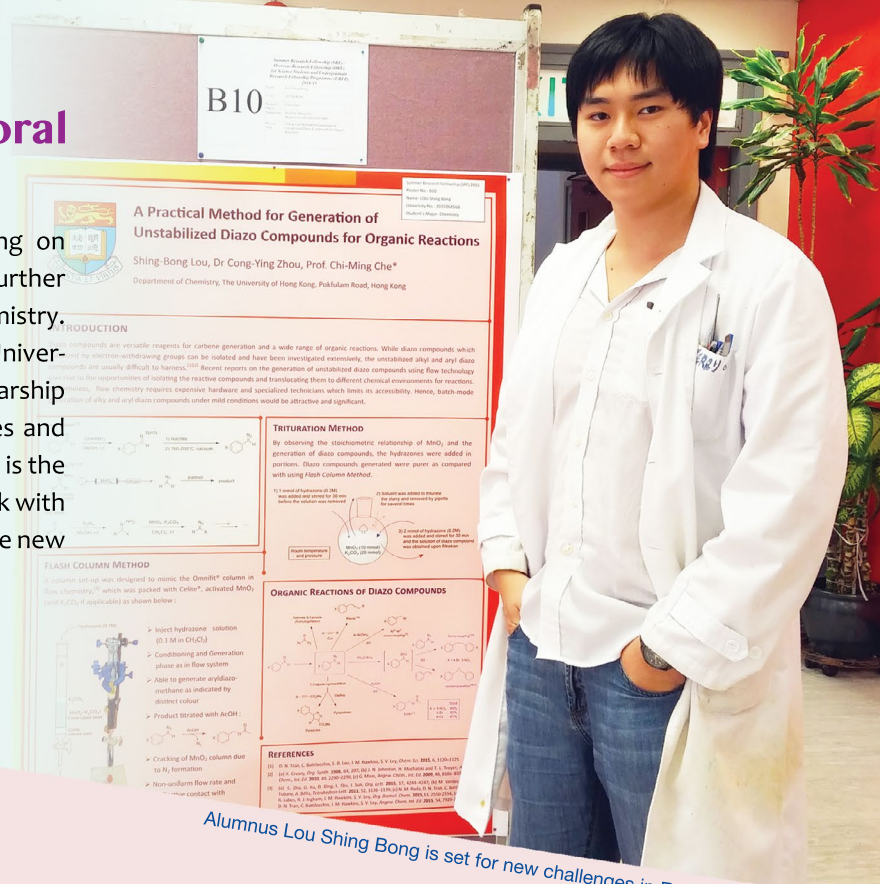

Ng Hiu Lam obtained five 5** and two 5* in HKDSE. She has been accepted to University of Hong Kong's Dental Surgery programme.

Wong scored three 5** in HKDSE. He is now a first-year student of Bachelor of Medicine and Bachelor of Surgery, University of Hong Kong.

Outstanding Alumnus Admitted to Oxford Doctoral Programme

Congratulations to our alumnus Lou Shing Bong on being admitted to the University of Oxford to further his studies with a Doctoral degree in Organic Chemistry. Because of his high-flying academic results, the University of Oxford has awarded him a full scholarship (Croucher Scholarship) that covers all tuition fees and living expenses. Lou has excelled in Chemistry and is the pride of Hoi Ping. We wish him the very best of luck with his research and hope that he will continue to make new discoveries in the field of Organic Chemistry.

Alumnus Lou Shing Bong is set for new challenges in England.

Kwan has been awarded a full scholarship (HSBC Overseas Scholarship), which covers all his tuition fees and living expenses.

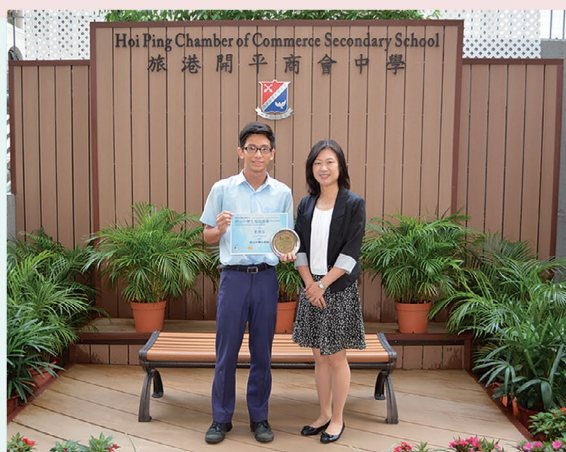

Outstanding Alumnus Bound for An Exciting Year in Harvard

Alumnus Kwan Man Kit has been admitted to a one-year exchange programme at Harvard University to study Economics. With his outstanding academic performance and active participation in social services since secondary school, Kwan has been awarded a full scholarship to encourage him to maintain his enthusiasm for learning.

Kwan has attributed his success to his active participation in social services, both in Hong Kong and overseas. When he studied in Hoi Ping, he engaged in more than 20 charity events. In university, he led service trips to Cambodia and Bali, which over 50 university students participated in. Kwan believes that engaging in social services could foster one's personal growth. He also encourages Hoi Ping students to take an active role to reach out and serve the society. We wish Kwan the best of luck with his studies.

Ip Long Wang – Outstanding Student Leader Award Winner

Ip Long Wang, Long (5B) has actively participated in various kinds of extra-curricular activities and voluntary services both inside and outside school throughout his school years. As a result, he was selected as one of the ten outstanding student leaders in the 11th Outstanding Student Leaders Award organised by Hok Yau Club Potential Development Centre. It was a very keen competition with a total of more than 300 candidates competing. Being able to stand out from the horde has proved that Long possesses excellent leadership. Congratulations!

Ip is no stranger to awards as a result of his versatility and industriousness.

Study Tour Offers Multifaceted Views on Mainland China

2A Yau Tsz Yung

It was great fun participating in the Guangzhou study tour from 6th to 7th of July. On the first day, we went to the Redtory. It was old yet modern in style, exhibiting a myriad of innovative Chinese art. We also saw the Canton Tower, which is the third tallest tower in the world.

Then we visited a vocational school that specializes in training tourism industry professionals. We chatted with the students animatedly because they were all so friendly! The school was huge and we had great fun touring around. Before we left for Hong Kong, we went to the China State Shipbuilding Corporation to study how ships are made. The procedure was shockingly complex but I learnt a lot.

I hope there would be more opportunities like this to deepen our knowledge and broaden our horizon!

On the second day, students visit the China State Shipbuilding Corporation (CSSC). They are in awe as they see the massive building structures that are rarely open to the public.

The tour guide at CSSC is explaining the shipbuilding process to students.

At the vocational school, students learn how to fold napkins into elegant and elaborate shapes — turns out it is much harder than expected!

Taiwan Fencing Training Tour

Our school's fencing team went on a four-day Taiwan training tour during the Easter holidays. Not only did the 19 fencing team members visit Ming Chun University, Taipei Municipal Cheng Zheng Junior High School and Taipei Municipal Yu Cheng Senior High School, they also played friendly matches with some Taiwanese fencers. All participants found the experience rewarding and enjoyable.

Our students taking a group photo with Taipei Municipal Cheng Zheng Junior High School students as a token of friendship after the match.

Participants having a friendly exchange of fencing skills with students from Taipei Municipal Cheng Zheng Junior High School.

Achieving Outstanding Success in Science Talent Cup

Ten S1 to S3 students participated in the Science Talent Cup jointly organized by the Hong Kong Science Talent Society and the Hong Kong New Generation Cultural Association on 11th November 2015. Among 200 competitors, Ho Chi Pang (2D) was the 1st runner up while Chum Bruce Y.C. (2A) got the highest mark in the Q&A session. Having attained the highest average score in the competition, our school was awarded the Best Performance School Prize.

The winning team and their teacher advisor beaming in triumph when they receive the Best Performing School Prize.

Hard Work Pays Off in Inter-school Fencing Competition

The annual Inter-school Fencing Competition was held on 1st and 8th November 2015. Our school's fencing team continued to shine. Our Boys Foil team kept fighting under fierce competitions and eventually won the second place. For individual events, Lee Man Kit (5B) came third in Boys A Foil and Lau Ho Yin (1C) was the champion in Boys C Epee. Congratulations to all the winners!

The proud winners of the 2015/16 Inter-school Fencing Competition.

Harry Potter Brings Home the Silver Prize at Hong Kong Youth Music Interflows – Symphony Orchestra Contest 2015

On 1st December 2015, our School Orchestra participated in the Hong Kong Youth Music Interflows – Symphony Orchestra Contest 2015 and won the Silver Prize. Hoi Ping students performed the medley of the movie, Harry Potter. The mysterious percussive main theme wove the vivid imagery of film with varied textures. The well balanced orchestration and good cooperativeness of teammates greatly impressed the judges. Once again, congratulations to our School Orchestra!

Our young talented musicians are posing confidently before the competition.

An Eye-Opening Experience

In June, our school joined a service programme organised by the Department of Ophthalmology and Visual Sciences of CUHK and Y's Men's Club of North West of YMCA. The aim was to offer free eye-checking services to primary school children so that eye diseases could be detected and cured early.

In the four days of service, our student volunteers helped take children to testing rooms and answer questions from children and parents. They also worked with medical staff in the hospital, learnt how to serve the needy, and communicated with people effectively. They were introduced to the study of Ophthalmology, and the career prospects of an ophthalmologist.

We would like to thank one of the managers of our school's Incorporate Management Committee, Mr. Cheung Sun Kit, who liaised with CUHK and made this programme possible.

Students are very attentive during a briefing on eye care and eye diseases.

Mr. Cheung, doctors and students taking a picture together at the end of the briefing.

Outer Space Bowling Excursion with AIS students

To hone students' English speaking skills and to build up their confidence in communicating with native speakers, the school encourages students to practise using English outside of the school. Some of our S2 students had a chance to go bowling with their peers from Australian International School (AIS) at the Kowloon Cricket Club. It was a great chance for our students to socialise with their peers in a casual setting. Students had fun playing bowling while at the same time, practised speaking English in a social get-together.

Students were very excited to chill out at a space-themed glow-in-the-dark bowling alley. Our students mingled with friends from AIS very quickly and some of them even celebrated a perfect strike or a nice spare by demonstrating a cool dance move. Those who were waiting for their turns enjoyed the refreshments or explored the vintage juke box with their buddies. With laughter and singing, the excursion ended perfectly.

The scores aren't perfect, but to students from both schools, the afternoon is a perfect memory they'll surely remember for a long time!

The scores aren't perfect, but to students from both schools, the afternoon is a perfect memory they'll surely remember for a long time!

Mr. Yu Yau Hin is introducing his business venture – Snapask.

Passing Work Experience to Our Future Pillars

The second Careers Day of the year, jointly organized by the Careers and Guidance Committee, the Alumni Association and the Parent-Teacher Association, was successfully held on 30th April 2016. The fruitful day kicked off with a sharing by our alumnus, Mr. Yu Yau Hin Timothy, who started an online tutoring business – Snapask. Sharing both his failure and success, students were all inspired by his creativity, courage and perseverance.

After Mr. Yu's inspirational sharing, students attended 2 out of 23 sharing sessions held in different classrooms. 42 alumni and 5 parents were invited to share their life and working experiences with all S4 and S5 students, giving them a clearer picture of the current job market and useful tips for career and life planning. With more exposure to the world of work, it is hoped that students are more aware of the requirements of our society and the importance of developing their abilities and skills for their future.

Our alumni are telling the future pillars some 'dos and don'ts'.

Kick Away Negative Emotions!

In order to help students manage their emotions more appropriately, the Counselling Team organized a Life Week in March. Various activities, including slogan-design competition and emotion-management sharing by teachers, were held. One of the highlights was the sharing session by Mr. Chan Siu Cheuk, the principal of Christian Zheng Sheng College, who taught our students how to cope with adversities.

Furthermore, with the help of peer tutors, S1 students designed and organized their class game stalls relating to emotion – management at lunchtime. The Life Week ended successfully with a fruit sharing session held collaboratively with the Health Education Club. Through these activities, our students had surely learnt some effective strategies in managing their emotions.

"We are proud to be a Hoipinger."

Mr. Chan is sharing touching stories at Zheng Sheng College and his adventures with his students.

“What a wonderful camp with our class teachers and peer tutors!”

“Are you ready?
Let's do it together! Side-Angle-Side...”

Taking Friendship to New Level in 2-day camp

The S1 Growth Camp, which aims at helping students develop a stronger sense of belonging to the school and their classes, was held successfully at Lady MacLehose Holiday Village on 29th and 30th April 2016. Our senior peer tutors organized various team-building activities, for instance, finishing different command tasks and preparing for a drama performance so as to hone their cooperative skills. One of the highlights was the sharing session which was held to help our S1 students learn how to appreciate themselves and others. The camp was full of laughter, achieving its aim in cultivating a harmonious and supportive atmosphere among students.

Learning through Experiencing – Visit to St. Stephen's College Heritage Trail

On 18th March 2016, 30 History and Chinese History students visited St. Stephen's College Heritage Trail. Highlighting the history of Hong Kong during the Japanese Occupation of the Second World War, the trail was formed by nine historic spots including colonial-style buildings and memorial sites. These cultural relics are valuable assets which provide a legacy not only for the students of St. Stephen's College, but also for all Hong Kong students. The guided tour conducted by three enthusiastic students of St. Stephen's was well-received. The visit to the heritage trail had surely raised our students' awareness of the importance of cultural heritage preservation in Hong Kong.

The tour guide is introducing the memorial sites to our students.

A group of history lovers are ready to explore the valuable historic sites.

同學在作家林語堂故居仔細聆聽導賞員的講解

同學參觀故宮博物院後合照

文學散步在台灣，頁間風景看世界

仲夏七月，四位中文科老師帶領一行25位同學到台北，展開四日三夜的台灣文學散步團。是次旅程選取與文學有關的景點，希望藉此提高同學對文學的興趣及鑑賞能力。同學於出發前先閱讀名家書寫台灣景色及風土人情的文學作品，其後再於旅程中親身到訪作家的「生活現場」，如胡適、林語堂、殷海光等作家的故居，以了解作家的生平；又或遊覽作家筆下的著名景點：淡水、九份、十分等地。透過親歷其境，有助同學更深刻體會文學作品中的思想感情。

除了理解文學與地景的關係外，亦安排同學到訪不同類型的書店：誠品書店、茉莉二手書店、九份樂伯二手書店等；讓同學能購買到多元化的書籍，以擴闊閱讀面。

溫校長致送紀念品予成鴻基老師，感謝他多年來對我校的付出。

心繫開平卅八載，繼往開來傳承愛

成鴻基老師

在開平這個「家」任教了三十八年，老師和同學相互扶持，相親相愛，是一個溫馨的大家庭。

我希望同學在畢業後能常常回「家」，所以我很樂意參與聯繫校友的事務，過往校友會的活動均得到校友們的鼎力支持，熱鬧非常，一家人聚首一堂，尤其感動。還有，與許遠光老師一齊推動的行社活動令很多同學愛上接觸大自然，這亦帶給我很大的滿足感。

最後，我想與同學分享歐祥江先生寫的《改寫未來的9種生存能力》這本書，希望同學多閱讀，好好裝備自己，嘗試突破自我，發展一個充實、美好的人生。
